

Enable easy customer referrals with PartnerStack

Embed referral forms in your app with our referral widget

Word of mouth goes a long way in business. And since customers already love your product, you can use their advocacy to power more revenue through a refer-a-friend program.

PartnerStack's customer referral widget plugs right into your product experience to generate referral links for your everyday customers — with no partner account necessary.

Easily transform customers and advocates into partners

Customize the journey

Pick and choose the most relevant moments to reach your customers on landing pages or in-app

Set it and forget it

Automate link sharing, tracking, and rewards all from your current PartnerStack dashboard

Scale bigger and better

Educate partners with co-marketing and email automation

How it works...
